paragraph of the constitution shall be included in application forms or otherwise brought to the attention of candidates.

- 20.2 A governor shall not solicit for any person any appointment with the Trust or recommend any person for such appointment: but this paragraph of this Constitution shall not preclude a governor from giving written testimonial of a candidate's ability, experience or character for submission to the Trust.

Relatives of Governors

- 20.4 Candidates for any staff appointment shall, when making application, disclose in writing to the Trust whether they are related to any governor. Failure to disclose such a relationship shall disqualify a candidate and, if appointed, render him/her liable to dismissal.
- 20.5 Every governor shall disclose to the Trust Secretary any relationship between himself/herself and a candidate of whose candidature that governor is aware.
- 20.6 On election or appointment, governors should disclose to the Trust whether they are related to any other governor or holder of any office in the Trust.

21. Declarations of Governors' interests and register of interests

- 21.1 Each governor has a duty to avoid a situation in which the governor has (or can have) a direct or indirect interest that conflicts (or possibly may conflict) with the interests of the Trust.
- 21.2 Each governor has a duty not to accept any benefit from a third party by reason of being a governor (save for low value gifts and hospitality as permitted by the Trust's policy on Managing Conflicts of Interest) for doing (or not doing) anything in that capacity. Where such a benefit is offered to a governor, the governor must decline that offer and report the matter to the Trust Secretary.
- 21.3 If a governor has a pecuniary, personal, family, loyalty or other interest, whether that interest is actual or potential and whether that interest is direct or indirect, in any proposed contract or other matter which is under consideration or is to be considered by the Council of Governors, the governor must declare such interests in accordance with policies agreed from time to time by the Trust in respect of conflicts of interest.
- 21.4 Examples of interests which should be declared include, but are not limited to:
- (a) directorships, including non-executive directorships held in private companies or PLCs (with the exception of those of dormant companies).

- (b) ownership, part-ownership or directorship of private companies, businesses or consultancies likely or possibly seeking to do business with the NHS.

Any changes in interests should be declared at the next Council of Governors meeting following the change occurring. Governors must inform the Trust Secretary in writing within 7 days of becoming aware of the existence of any relevant or material interest.

21.6 Governors' directorships of companies or ownerships/directorships in companies likely or possibly seeking to do business with the NHS should be published in the Trust's annual report. The information should be kept up to date for inclusion in subsequent annual reports.

- 21.8 In the case of family or close personal relationships the interest of one party shall, if known to the other, be deemed for the purposes of this paragraph 21 to be also an interest of the other.
- 21.9 If Governors have any doubt about the relevance or materiality of an interest, this should be discussed with the Chair or Trust Secretary. Influence rather than the immediacy of the relationship is more important in assessing the relevance of an interest. The interests of partners in professional partnerships including general practitioners should also be considered.

Register of governors' interests

- 21.10 The Trust Secretary will ensure that a register of interests is established to record formally declarations of interests of governors. In particular the register will include details of all directorships and other relevant and material interests which have been declared, as defined in the relevant Trust policy on conflicts of interests.

35. Declarations of directors' interests and register of interests

- 35.1 The duties that a director of the Trust has by virtue of being a director include in particular –

- 35.1.1 A duty to avoid a situation in which the director has (or can have) a direct or indirect interest that conflicts (or possibly may conflict) with the interests of the Trust.
- 35.1.2 A duty not to accept a benefit from a third party by reason of being a director, (save for low value gifts and hospitality as permitted by the Trust's policy on Managing Conflicts of Interest) for doing (or not doing) anything in that capacity. Where such a benefit is offered to a director, the director must decline that offer and report the matter to the Trust Secretary.
- 35.1.3 If a director has a pecuniary, personal, family, loyalty or other interest, whether that interest is actual or potential and whether that interest is direct or indirect, in any proposed contract or other matter which is under consideration or is to be considered by the Board, the director must declare such interests to the Trust Secretary and to the Board in accordance with policies agreed from time to time by the Trust in respect of conflicts of interest.
- 35.2 Examples of interests which should be declared include, but are not limited to:
- (a) directorships, including non-executive directorships held in private companies or PLCs (with the exception of those of dormant companies).

- 35.8 If directors have any doubt about the relevance or materiality of an interest, this should be discussed with the Chair or Trust Secretary. Influence rather than the immediacy of the relationship is more important in assessing the relevance of an interest. The interests of partners in professional partnerships including general practitioners should also be considered.
- 35.9 The duty to avoid a conflict of interest is not infringed if the matter has been authorised in advance by the Trust Board.
- 35.10 In relation to the duty not to accept a benefit from a third party, 'third party' means a person other than:

- 35.13 This paragraph does not require a declaration of an interest of which the director is not aware or where the director is not aware of the transaction or arrangement in question.
- 35.14 A director need not declare an interest –
- 35.14.1 If, or to the extent that, the directors are already aware of it;

In particular the register will include details of all directorships and other relevant and material interests which have been declared, as defined in the relevant Trust policy on conflicts of interests.
- 35.17 The details of directors' interests recorded in the register will be kept up to date by the Trust Secretary who will ensure any changes to interests declared are incorporated promptly.
