Freedom of Information Request – Ref: FOI 028-1920

Thank you for your recent Freedom of Information request about population and practitioner numbers. Please find our response below.

Please can I make a freedom of information request for current information on the population your trust currently serves and the number of HCPC practitioner psychologists (clinical or counselling) employed within the trust.

The Trust currently employs 71 HCPC practitioner psychologists. The population number that our Trust serves is readily accessible in our Annual Reports which are available on the Trust website at the following link <https://www.2gether.nhs.uk/who-we-are/annual-reports/>.

Yours sincerely,

Francis Perrin
