### **Freedom of Information Request – Ref: FOI 078-1920**

Thank you for your recent Freedom of Information request about Prisoners who were prescribed medication. Please find our response below.

I would like to know how many prisoners in your area were prescribed medication for mental health issues in each of the last five years, from 2013 to 2018 inclusive.

Gloucester Prison closed in March 2013 and since that date the Trust has not provided Mental Health services to prisoners. From January to March 2013, 28 prisoners were prescribed mental health medications.

Yours sincerely,

*Francis Perrin*
