

Young Onset Dementia Peer Support Group

Hosted in partnership with Managing Memory Together, Alzheimer's Society and Gloucestershire Carers Hub

Who is the group for?

The group is for anyone with a diagnosis of Young Onset Dementia and their family and friends/ carers.

The group is supported by the specialist nurse for Young Onset Dementia

Why join?

Its an opportunity for both carers and the person with dementia and any family or carers to talk and get advice.

The Young Onset Dementia group runs the 3rd Tuesday of every month from 7pm – 8.30pm

You do not need to commit to joining every month.

The group is held online via Zoom
