## Freedom of Information Request – Ref: FOI 053-1718

Thank you for your recent Freedom of Information request about Psychotherapy Waiting Lists. Please find the Trust's response below.

Of those who were referred to psychotherapy services through the 2gether NHS Foundation Trust between 1 January 2016 - 25 May 2017, how many who had initially been seen for a consultation were put on a waiting list?

We have provided below the waiting times only for our IAPT - Improving Access to Psychological Therapy Service. This offers short term talking therapies to people with mild to moderate depression and anxiety. We also provide Complex Psychological Therapy Interventions, however we do not hold the information requested in relation to that service.

1. What was the waiting time for treatment for those on the waiting list?
