**Freedom of Information Request – Ref: FOI 008-1617**

Thank you for your recent Freedom of Information request regarding water quality and the number of point-of-use filters used during 2014-16 by the Trust to prevent waterborne bacteria exiting the water system.

As a low risk Trust for such bacteria, the Trust has not needed to use POU filters and has not done so in the years referred to.

Should you have any queries in relation to our response in this letter, please do not hesitate to contact me. If you are unhappy with the response you have received in relation to your request and wish to ask us to review our response, you should write to:-

Generally, the ICO will not consider your case unless you have exhausted your enquiries with the Trust which should include considering the use of the Trust's formal complaints procedure. The ICO can be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Yours sincerely,
